We have a tremendous calendar of events planned for your entertainment and enjoyment over the next few months. If you are looking for a great way to meet others and play in a social environment, Mallets and Martinis, Wicket Wednesdays, and Twilight Golf are wonderful weekly events to meet and make new friends. Join other members on the croquet lawn on Tuesday, Wednesday or Thursday afternoons and/or hit the golf course on Wednesday afternoons for Twilight Golf. For those looking to play the great sport of tennis, there is plenty of opportunity between the Member-Guest events, weekly clinics, and junior lessons, which offer plenty of chances to hit the courts. Wellness and fitness doesn't take a breather during August, and Stacie and Manu will continue to provide outstanding fitness based classes, massage therapy and spectacular hikes each month. There is plenty to do to keep you busy this month! Please remember to make reservations for the activities by calling Zoe at 828-526-3531. Many of the special events will sell out quickly and we can also serve you better if we know in advance of your plans.

As a reminder, the Clubhouse renovation will begin in earnest starting on Tuesday, September 4th. J. Davis will be mobilizing and fencing off the entire back section of the Clubhouse as they begin to demolish the concrete steps along the rear area. They will then start pouring the new foundations to support the bar and pavilion extensions. This work will be noisy but we feel it is imperative to give them ample time to complete this extensive project. Although lunchtime dining will be available on the Overlook, we will also have the Main Dining Room setup just in case the noise becomes too burdensome. The construction crew is currently scheduled to work Monday through Thursday and this will remain the schedule until the end of the season unless poor weather impacts their progress. We are working on updated storyboards and will be presenting them along with some of the interior design concepts at the Annual Meeting of Club Members on Sunday, September 16th. Please mark your calendars and try to attend this meeting.

Thank you again for your continued support of the Cullasaja Club and for your patience as we work to improve the Clubhouse via the renovation. We are having a remarkable year and your involvement and support is paramount to our success. I wish you a wonderful August and hope to see you around the Club.

Best Regards,

Chris Conner | General Manager / COO

**NEW CROQUET LAWN UPDATE** The new croquet addition has been quite a project. The area was cleared of all vegetation, top soil, and plenty of solid rock was blasted with dynamite. The weather proved challenging as did the amount of rock we encountered, but we are pleased with the growth of grass on the new lawns, which were constructed to the same specifications as a USGA putting green incorporating greens mix, gravel and extensive drainage. The hard winter and excessive rainfall led to delays however we were able to seed the lawns and sod the surrounds on June 20th.

As of today, the new lawns are really beginning to look good. It typically takes 10-12 weeks for the new seedlings to mature to the point where they

can stand up to traffic and more frequent mowing and rolling which will bring us to a mid or late September opening play date.

While the majority of the work is behind us, we still have to put on the finishing touches. By the end of August we plan to have a fence installed along the rock retaining wall with curbing below, additional parking, a walkway to the restroom and as much landscaping as we can do this time of year is in the plan. We are also looking at ways to keep players safe from traffic along Cullasaja Club Drive. We are considering both a guardrail, or boulders + landscaping as a means to cordon off the lawns. Stay tuned and look for more information soon on the soft opening date later this fall.

**STRAWBERRIES & CREAM 4TH OF JULY MIXER**

Thanks to all of our great tennis players for coming out and supporting this very popular holiday mixer. Once again, the courts were full with 23 players participating. This traditional event is always one of our more popular activities and we appreciate all that played this year.

**CONGRATULATIONSTO OUR NEWLY CROWNED 2018 TENNIS CHAMPIONS!**

Both the Men's Doubles and Mixed Doubles Championships have been played as of this writing.

For the men's event, we had a 12 person draw and with 5 gentlemen eligible to win the Championship going into the last round. These guys are all winners in my heart, but alas, we can only have two Champions. When the scores were tallied; Larry Ainsworth and Mark Sanderson were crowned Champions for 2018.

For the Mixed Doubles Championship, we had 8 competitors with each gentleman playing one round with each of the ladies. Going into the last round all participants still had a chance to become a Champion. The scores were so close I thought we would have to have multiple Tie Breakers to determine champions this year.

At the end of regulation play, Diana Sanderson was the ladies' winner and E.G. Lassiter was the men's winner. This was Diana Sanderson's second year in a row to win this event and E.G. Lassiter's first time winning a Tennis Championship at Cullasaja Club. Congratulations to our new Champions and thanks to all of our great Cullasaja tennis playing members for coming out and supporting this phenomenal event!

## **RICK EICHMAN WINS USTA SANCTIONED TOURNAMENT IN ASHEVILLE, N.C.**

Congratulations go out to Cullasaja's very own Rick Eichman and his doubles partner Don Mathias for winning the Men's Doubles in the 75's in Asheville. Rick and his partner played in a round robin rotation against 3 other very strong teams in the 87th Annual City of Asheville USTA Championships and came away the winners. Way to go Rick!

## **JUNIOR TENNIS CLINICS WERE A BIG HIT DURING THE MONTH OF JULY**

Special thanks to all of the parents and grandparents who brought their children out to a Tiny Tots or a Young Guns Clinic during the month of July. We trust all of the children had a great time and we hope see them all back on the courts again next year. Thanks to everyone for allowing me the flexibility to change up starting times as weather and scheduling issues played havoc with some of our clinics.

## **The Month of August Starts Off With a BANG!!!**

### **LADIES' CLASH OF CHAMPIONS**

**Friday, August 3rd at 10:00 a.m.**

### **MIXED DOUBLES CLASH OF CHAMPIONS**

**Saturday, August 4th at 10:00 a.m.**

The Clash of Champions event returns to the plateau in August. This event will feature two of Cullasaja's best players going head to head against the best players from other local clubs. In the past, we have played teams from Mountain Laurel, Highlands Falls, Cedar Creek, Country Club of Sapphire Valley and Lake Toxaway. This year we will include two events. The first will put two of our strongest ladies in action and the second will offer a Mixed Doubles event rather than a Men's Doubles event. All matches will be played in a round robin rotation of opponents with each match consisting of one regulation set. I would love to see our members supporting this great event, so come out and cheer for your teammates and friends.

The ladies' event is up first followed later in the month by the men's tournament. This is a great opportunity to invite one of your friends to show off our beautiful club and our great tennis facility. I am sure we will see some great tennis matches followed by a very special luncheon prepared by Chef Marie in the Clubhouse. Call me today to enter.

### LABOR DAY WEEKEND AT THE TENNIS CENTER

For Labor Day Weekend, our tennis mixer is the “Blind Draw” Round Robin and Social Mixer. For this fun filled mixed event you play 4 games in each round. This event can be played several ways including being able to play with whoever you choose, however at the end of the round robin, I will draw names out of a hat to determine who your partner really was during play. This can be quite rewarding or quite cruel, don't you think?

Another option: at the end of regulation play, I will bring out a deck of cards numbering Ace, 2 or 3 and at the end of the last round the winner will pick a card from the deck. Whatever number is drawn is subtracted from their score. The losing team does the same, but whatever number they draw, that number is added to their score.

All you need to do is email Terry or call the Tennis Pro Shop to sign up for that day. No partner is necessary for this event, so come on out and join the fun during Labor Day. All members, their family members as well as their guests are more than welcome to play.

#### **BLIND DRAW LABOR DAY WEEKEND MIXER**

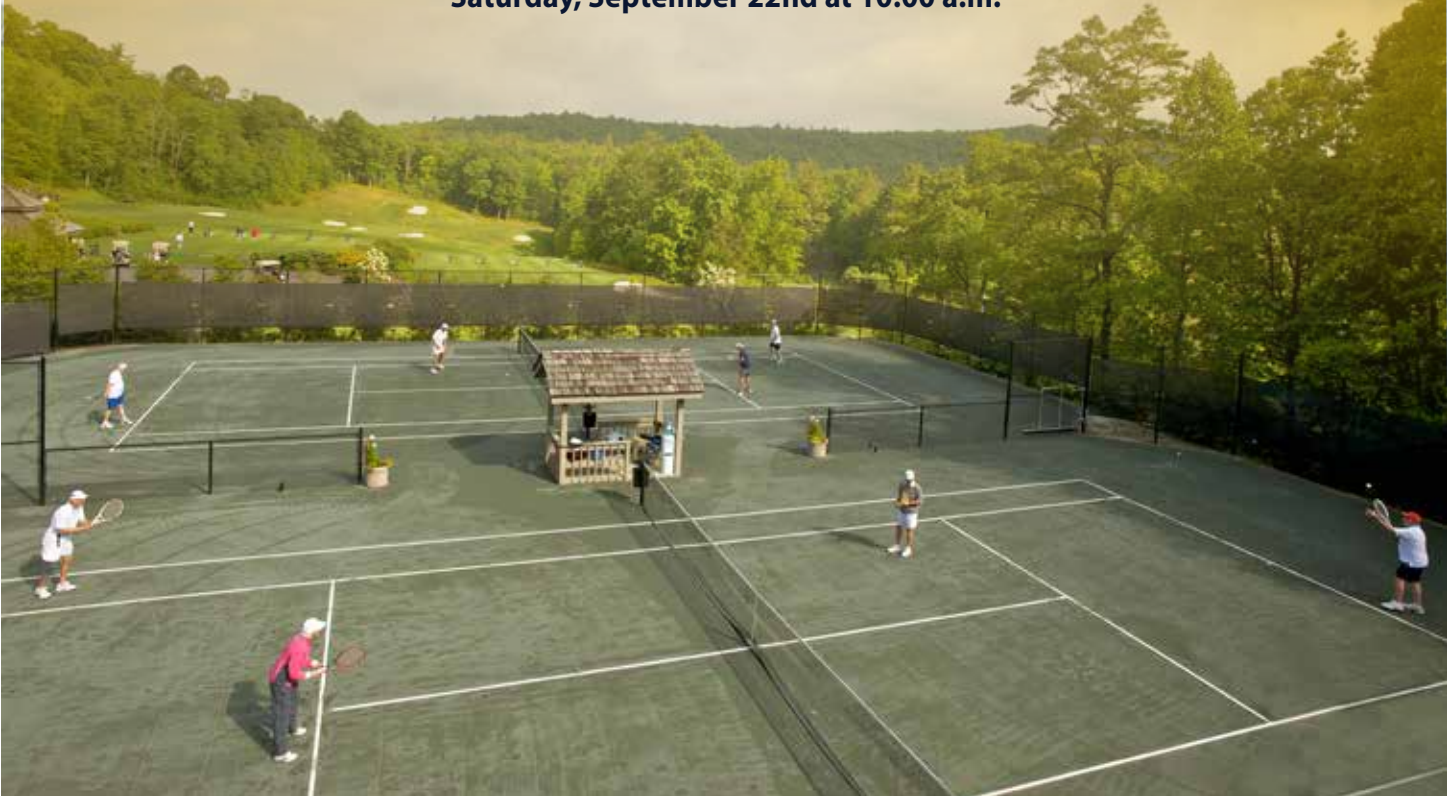

**Saturday, September 1st at 10:00 a.m.**

#### **MIXED DOUBLES INVITATIONAL TOURNAMENT**

#### **MIXED DOUBLES MEMBER/ GUEST TOURNAMENT AND LUNCHEON**

## HOT OFF THE PLATE | by Steve Sheridan

With the dog days of summer upon us, it is hard to believe that July has come and gone and we look forward to what the rest of summer has to offer. The annual Cart Parade and Duck race were well attended and we had a grand time making memories with you during the busy holiday week. We had a great Yappy Hour that seems to be growing in attendance and excitement. Although our 1st Pool Party was relocated to the clubhouse due to weather, we did our best to bring the Gilligan spirit to the clubhouse and had a wonderful evening with island inspired food and drink. Twilight golf has been a big event for us this month as we continue to rotate through our themes ending the month with the Grand Seafood Extravaganza in preparation for the Men's Invitational. I would like to thank all of our members for your participation in club events and dining areas. It is because of you the F&B program is thriving.

With the middle of the season upon us, we have had the chance to receive much needed feedback from the membership and continue to improve our programming to better serve you.

You can look forward to seeing the comment cards once again in the check books that the servers leave at your tables. These comment cards give you the chance to let us know where we are doing well and what we need to improve upon. They can be left anonymous or filled in with your name if you would like to give praise. We love to receive positive praise but also look for constructive criticism that can help the operation become better. If you do not want to leave the card in the book upon completion, please feel free to hand it over to Robie or myself. Thank you in advance for your help with this.

I would also like to take a moment to promote the Cullasaja Wine Club program we have in place for your use. This is a great way to support the wine program by purchasing wine through the club, having us store it for you and being able to consume the wine at the club. Here is a breakdown of the program and I am available for any further discussion. I encourage everyone to contact me with your wine needs and cherish the opportunity to help you in that regard.
