## GENERAL MANAGER UPDATE | by Chris Conner, CCM

What a summer so far! I hope you have had many opportunities to get outside and enjoy the glorious weather we are all experiencing at Cullasaja Club. Our moderate climate may be a big draw, but so is the abundance of exciting events for you and your family to enjoy. A brief look inside this newsletter will show you the robust activities and events we have planned for your enjoyment in August and beyond.

Charles and his team have created a full schedule of golf related activities this month including the Whiteside Challenge Cup vs. OEI, the monthly Saturday Shoot-Out, the WGA Three Queens and a King, the WGA Member-Guest, and a WGA 9-Hole Interclub Challenge. We hope you will find time in your schedule to participate in all of these fun events during the month. Tom and his group will no doubt have the course in pristine shape all month long.

Steve, Robie, Rocky, Chef Marie and Chef Tzu, and their teams have been very busy in our Food and Beverage department. There is no doubt the newly renovated clubhouse has encouraged more use and we are very happy seeing you enjoy the new spaces. Mark your calendars for the next Summer Series Night Featuring a Las Vegas theme. Next, make sure you sign up for a Lobster Dinner and Super Saturday Drawing all occurring this month. We also are happy to have the third annual Rocky's Tailgate Party and our monthly Farmers' Market at the end of the month. Look for more details in the future on all of these events via email.

Our croquet program continues to grow with daily opportunities to pick up the mallet and try the remarkable sport. You have many opportunities each week to enjoy the fun-filled game with others in a social environment. Simply stop by the croquet lawn on Tuesday or Thursday afternoons at 3:00 p.m. or 5:00 p.m. and enjoy our entertaining Mallets and Martinis with hors d'oeuvres and open bar. There is also a Sunday afternoon play group as well as Wednesday at 4:15 p.m. Stop by and see Terry to learn more about the wonderful game of golf croquet.

Wellness and fitness doesn't take a breather during August and Noelle and Manu will continue to provide outstanding fitness based classes, massage therapy and invigorating hikes during the month. Make sure you view the current schedule inside the newsletter and get involved, stay healthy and enjoy this amazing amenity.

Thank you again for your support of the Cullasaja Club and being a special part of our Club's remarkable culture. We firmly believe our members to be the most genuine and friendly group of people on the mountain and the entire staff counts their blessings each day to be able to serve you and see you enjoy all the Club has to offer. We are having an amazing year and your involvement is paramount to our continued success. I wish you a continued wonderful summer full of remarkable and memorable moments.

Best Regards,

Chris Conner | General Manager / COO

**GREEN SPEED** Green speed is always a hot topic on any golf course. Some players prefer lightening fast speeds and others find it more enjoyable to have greens on the slower side. A target green speed should always first be based on the architectural design features, i.e. overall size of the greens, the degree of slope and size of cuppable areas. The next controlling factor should be the average skill level of the clientele. When greens are too fast for both the contours and average skill level, it is proven that both pace of play and scores will go up.

Almost all clubs will agree upon a desired green speed that satisfies the majority of the members. The Superintendent will do everything in his/her control to keep the greens on the target each day. Herein lies the challenge. Greens are living, breathing stands of turf that will react to many different variables. While we can control things like mowing height, grooming, rolling, brushing, topdressing, aerification, etc. we cannot control environmental conditions. Rainfall is the most obvious weather influence but other more subtle variances can have a huge impact on ball roll. Periods of high humidity will always lead to reduced green speeds due to the fact that the plants don't dry out, leaving more leaf tissue to create more friction. On the opposite end of the spectrum, a high sky, breezy day will cause the leaves to shrink up, reducing friction and leading to significant

increases in speeds as the day wears on. Decisions are typically based on weather forecasts which, as we all know, are not 100% reliable.

Over the years, the Green Committee at Cullasaja has determined that a stimpmeter speed of 10' 6" is the ideal speed for our greens for both daily play and tournaments. In reality, we work within a 2' range of 9' 6" to 11' 6" since it is simply impossible to "set" the greens at one speed every single day. We hope you enjoy the greens every time you play and understand that, with so many variables, there will always be some fluctuation in speed from day to day; however our goal is to stay consistently near 10' 6".

#### **NEW 'LEAVE THE PIN IN' RULE**

As I'm sure you are aware by now, the USGA and R&A have altered the rules to allow leaving the pin in while putting. This was done in an effort to simplify procedures and speed up play. One unintended consequence we have noticed is that the edges of the cups are being damaged by players retrieving their balls from the cup with the pin still in. It is a small space to try to delicately remove the ball without your knuckles depressing the edges of the cup.

As a courtesy to your fellow member, we ask that you pull the pin out to remove the balls, taking care to not damage the edges of the cup.

**GOODBYE JULY!** July brought us great times with great friends! We had a lot of fun events and crowned a lot of new champions! I want to thank everyone for your continued support of our golf tournaments. We can't have successful events without the help of our outstanding members!

We had multiple divisions compete in this year's Flag Day event on July 4th. Congratulations to all of our champions: Gold & Blue Tee Division Champion ~Connor Markham, Black, Hybrid & White Tee Division Champion ~Chris Rene, Red Tee Division Champion ~Berty Fransen.

Mother Nature had other plans for this year's Divots & Drinks event. We had a lot of people interested in participating and will try again in the future. Even though we were unable to fill divots, Nathan Davidson put on an amazing magic act. We look forward to hosting him again.

Congratulations to Jamie Pimentel and Mark Nantz for winning this month's Golf Shootout. They defeated a deep field this afternoon in exciting fashion. Jamie and Mark made a nice two putt on the final playoff hole to beat the strong team of Doug and Monica Treadwell. Congratulations to Jamie and Mark, and the Dunwody family on a great performance!

Our Sunday Couples' event on July 21st was host to 32 players. This exciting event was a four-person scramble. All men started play from the black tees and all ladies started play from the red tees. If the team made a birdie, each player had to move back a tee box. If the team made a bogey, each player had to move up a tee box. The field all got to experience parts of the course they had never seen! Congratulations to Berty & Victor Fransen and Barbara & Gary Roberts for the win!

**MEN'S DOUBLES INVITATIONAL WAS A HUGE SUCCESS:** This year, we had 7 teams entered into the Men's Doubles Invitational. This event saw 7 very evenly matched teams competing in a round robin rotation. We had 3 teams playing at the upper courts and 4 teams playing at the lower courts. At the end of regulation play, the winners from the upper level played a tiebreaker against the winners at the lower level. The winners at the upper level were Rick Eichman and Paul Pavlis and the winners at the lower level were Larry Ainsworth and Mike Buchanan. Larry Ainsworth and Mike Buchanan won the Championship in a very hard fought tiebreaker. Congratulations to our Champions and thanks to everyone who competed in this great event that day.

**4TH OF JULY HOLIDAY MIXERS SAW RECORD NUMBERS OF PLAYERS:** On the 4th of July, we had 22 tennis players show up to play in our Stars & Stripes holiday mixer. Later that weekend, we offered our very popular Strawberries & Cream holiday mixer. It was truly a great day for the tennis program. We had 31 players who showed up to play that morning. This event is so popular, for next season we will probably have to have two separate starting times just to break down the size of the crowd. Thanks to my summer helpers, Seth and Heather. They ran the event at the lower courts and I ran the event at the upper courts. Thanks to all of our members, their family members and their guests for making this mixer great again this year.

## **THE 2019 TENNIS CHAMPIONSHIP SERIES IS OFF AND RUNNING:**

During the month of July, we always try to get in all 3 Tennis Championships. As of this writing, the only event that has been played was the Men's Doubles Tennis Championship. This year, we had 8 evenly matched men who participated in this event. We played a round robin rotation of partners and opponents so nobody had an unfair advantage. All of the matches were very close and you guys are all winners in my heart but, like I say, you can only have two Champions. So, at the end of regulation play, the Champions were Larry Ainsworth and Rick Eichman. Congratulations to our newly crowned 2019 Men's Doubles Champions and thanks to everyone who participated in this year's event. The Mixed Doubles and the Ladies' Doubles events had to be rescheduled so I will let you know next month who won the other two Championships.

## **BEST OF THE BEST TENNIS CHALLENGE ON THE FIRST SATURDAY IN AUGUST:**

All of you like to see a good tennis match or at least it seemed that way when we did the Battle of the Sexes Matches. This year, I am in the process of rounding up 4 strong ladies to go head to head in a best 2 out of 3 sets match. Currently, we have some of the strongest ladies in the area right here playing tennis at Cullasaja. This will be some great tennis so come out and watch. This year, we are breaking from tradition and playing the matches from 10:00 am until noon. Perhaps after the tennis we can have a poolside cookout. More information on this event will follow via email so be sure and check those emails and don't miss this exciting event.

**MEET ME AT THE 4032 MARKET** We are officially halfway through the 2019 season and have had a ton of fun along the way. I hope that everyone has had the chance to get down by the pool during the heat wave of July and enjoy some of the summer cocktails Christine has been serving up down there, with continued drink service to 5pm Thursday – Sunday. I also hope that you have had the chance to come and enjoy one of the many celebrations we have hosted at the clubhouse, showcasing the new areas and the great food Chef Marie and her team have been preparing for us.

I also would like to encourage everyone to come and “Meet Me at the Market”. Beginning Thursday, August 2nd and continuing every Thursday in August at 9:00 am, come and meet for a half-priced breakfast sandwich and coffee. Come and get acquainted with what we are offering and how we can brighten your mornings with great breakfast options and coffee creations. Natalie Jacks, whom you might remember from the Fairway Café, is setting the scene for a relaxing morning in the new 4032 Market. This area is equipped with many tech device charging stations for those who like to read on a tablet,

plus there are daily newspapers and magazines for you to enjoy. Come and have a cup of Joe by the fire on those cool mornings and see what we can do for you.

Also, be on the lookout for all things social on the August calendar. Summer Series #2 on the 3rd will be taking us to fabulous Las Vegas as we invite you to come and take down the house. Our 9 & Dine Couples’ Golf event on the 4th is always a member favorite. Steve Pignatiello will be showcasing some of his wonderful Burgundy imports on the 8th. We will be hosting the Lobster Dinner on the 15th here at the clubhouse so we can accommodate the large numbers of diners we have been seeing this season. And don’t forget to practice your fight songs and anthems as we are only 1 month away from celebrating college football with Rocky on the lawn.

Finally, be sure to come and see us for all things wine related. We appreciate the opportunities that we have to help each and every one of you enjoy wines from around the world, no matter your experience or taste preferences. Come and have a glass with us soon.

**CONGRATULATIONS TO OUR NEWLY CROWNED CROQUET CHAMPIONS:**

Last month, we congratulated Mrs. Reilly on becoming the Ladies' Singles Champion. This month, we have two new Men's Championships in the books. Congratulations to Clint Dawkins; he is our new Men's Singles Croquet Champion. This year, we had 12 men who competed in the Singles Championship. Also congratulations to Victor Fransen and Clint Dawkins for winning the Men's Doubles Croquet Championship. This year, we had 6 teams who participated in the Men's Doubles Championship. As of this writing, the Ladies' Doubles Croquet Championship has yet to be played. That happens later this month. As the Championship Series continues next month, we will offer the Croquet Mixed Doubles Championship.

**CROQUET INTER-CLUB MATCHES:** This year, we have only played against two teams. We lost to Wildcat at home but we won at Chattooga Club in Cashiers. Inter club schedule for the remainder of the season is as follows:

**CULLASAJA @ HIGHLANDS FALLS**  
**Thursday, August 8th**

**CULLASAJA @ CEDAR CREEK CLUB**  
**Thursday, August 15th**

**TRILLIUM @ CULLASAJA CLUB**  
**Thursday, September 19th**

I would like to encourage anyone who is interested in competing in an inter-club to sign up and play. We want to give everyone who wants to play the opportunity to play in one of these last 3 matches. This is a great way to see other clubs and facilities here in the area as well as to meet others who share your love for croquet.

## **BIG EVENTS IN AUGUST**

**CULLASAJA CUP CROQUET TOURNAMENT**  
**Thursday, August 1st and Friday, August 2nd.**

This event is a team concept with around 8 players forming a team. They will compete against another team of equal ability over the two days. The final matches will be played on Friday. We are still working out the details for this event. We will send out an email as we get closer to the event, which will allow you to enter the competition. The teams will be limited to probably no more than 8 players per team. This means for the two teams we can only accept 16 participants. After we have firmed up all of the participants, we are thinking we will have a pairing party and let team captains alternate picking players for their individual teams.

## **LAST EVENT IN THE CROQUET CHAMPIONSHIP SERIES:**

**MIXED DOUBLES CROQUET CHAMPIONSHIP**  
**Monday, August 12th**

This event will be played with set teams competing against each other in a round robin of opponents.

**SADIE HAWKINS MIXER**  
**Tuesday, August 20th**

The ladies get to choose who their partner will be for the event. You must sign up ahead of time for this fun-filled mixer. The draw is limited to 48 players or 24 teams. Leave your whites at home and come on down to this Country Shindig. Everyone is invited to come over and watch, even if you don't want to play, and you are also invited for the food portion of the event.

**HIGHLANDS CUP AT HIGHLANDS FALLS**  
**Wednesday, August 28th**

Our team from Cullasaja goes head to head with the other 3 teams here in Highlands. This could be our year to bring home the gold.

### **CROQUET LAWN ETIQUETTE**

- All whites are required for all CCA sanctioned events.
- Country Club Casual attire (like you would wear for golf or tennis) is acceptable attire during non CCA events.
- Only smooth soled shoes are allowed on the Lawn.

## **COMING IN SEPTEMBER:**

### **MOUNTAIN CHALLENGE AT CHATTOOGA:**

**Thursday, September 5th and  
Friday, September 6th**

In this event Cullasaja sends its very best players to compete against the best players from other clubs in the area. This year, I believe there will be 10 teams entered into the competition. 5 will play at Toxaway and the other 5 will play at Chattooga and the winners from each location will meet at Lake Toxaway for the Championship.

### **END OF SEASON CROQUET BANQUET:**

**Tuesday, September 24th**

This event will be held down at the croquet lawn. The awards presentations, play and food & beverage will all be held at this location just like we did last year.
